

## Safe Skiing/Riding Is Not Just A Smart Idea, It's Also The Law In New York State.

Visit [GoreMountain.com/Safety](http://GoreMountain.com/Safety) for important and helpful information.

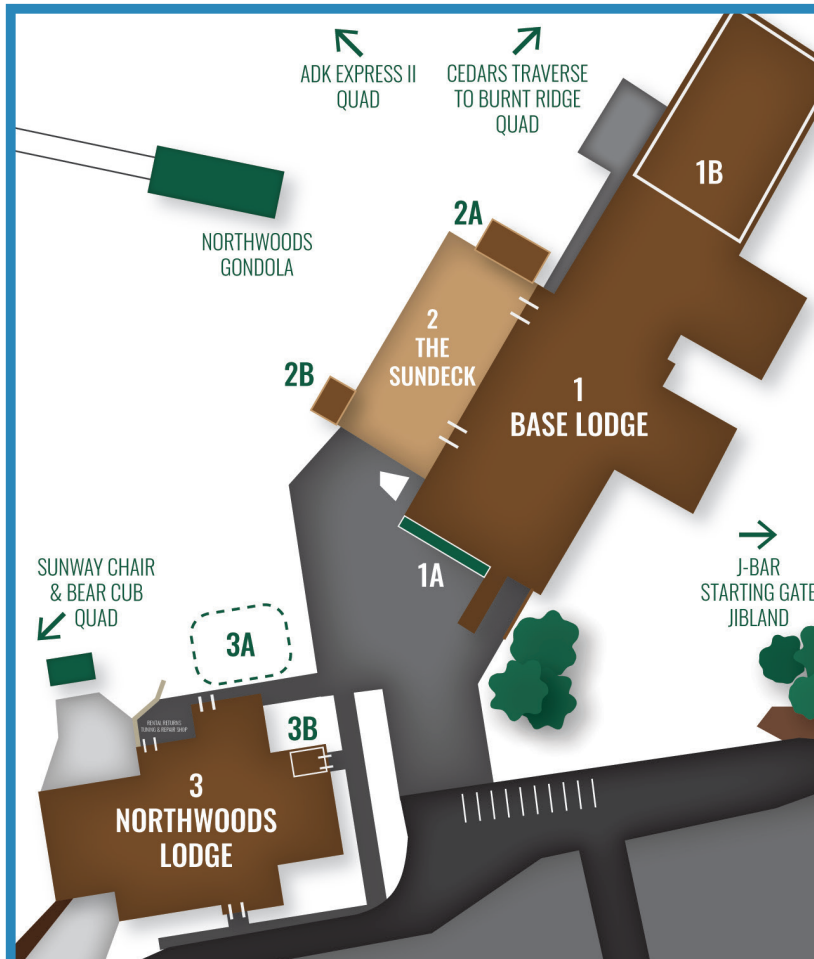

Always brake your speed when entering a SLOW ZONE. Match your speed to the flow of traffic.

Caution—snowmobiles, grooming tractors, other mountain vehicles, and snowmaking may be encountered at any time.

### KNOW THE CODE

- Always stay in control. You must be able to stop or avoid people or objects.
- People ahead or downhill of you have the right-of-way. You must avoid them.
- Stop only where you are visible from above and do not restrict traffic.
- Look uphill and avoid others before starting downhill or entering a trail.
- You must prevent runaway equipment.
- Read and obey all signs, warnings, and hazard markings.
- Keep off closed trails and out of closed areas.
- You must know how and be able to load, ride and unload lifts safely. If you need assistance, ask the lift attendant.
- Do not use lifts or terrain when impaired by alcohol or drugs.
- If you are involved in a collision or incident, share your contact information with each other and a ski area employee.

Users shall adhere to all closures, warning signs, and ropes at all times as well as all rules and regulations set forth in the Skier's Responsibility Code and Safety in Skiing Code Party 54 of Title 12 of the Official Compilation of Codes, Rules, and Regulations of the State of New York (12 NYCRR Part 54).

## LEARN MORE

Visit us online for more information on Ski Bowl activities, as well as our online Snow Report for current information on hours and availability.

## LESSONS FOR ALL AGES AND ABILITIES

Gore Mountain's Snowsports School offers ski and snowboard lessons for everyone. Group lessons are an affordable way to learn how to ski and enhance your skills in a group of fellow skiers/riders of similar age and skill level. For a more personalized experience, a private lesson is a great way to learn or hone in your skills with one-on-one instruction.
