

Use your **senses** to explore the trails at Belleayre to search for treasures around you. Remember to look high and low to see how many items you can find!

### LOOK FOR:

- something white
- two types of tree leaves
- something patterned
- something red
- something tiny
- something round

### LISTEN FOR:

- something loud
- something that crunches
- find something to make music with
- an animal sound
- something that snaps

### TO FEEL:

- something bumpy
- something smooth
- something cold
- something prickly
- something soft

### TO SMELL:

- a flower with a scent
- a pine tree
- find a smell you like

Remember to leave what you find, observe and take photos but leave plants, flowers, and rocks as you found them in nature.
