National Interest Exemption Waiver:

In order to prevent the spread of COVID-19 the US Government is restricting entry into the United States of America by foreign nationals, regardless of citizenship, who have had a physical presence in a restricted nation at any point in the 14 days before their arrival. Foreign nationals (excluding legal permanent residents) may not enter without receiving a National Interest Exemption 212(f) waiver from the Department of Homeland Security.

The following countries are restricted: Asia/Middle East: China and Iran Europe: Austria, Belgium, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland, and the U.K. South America: Brazil

For an up to date list of restricted countries please visit [this link](#).

Note: Transit through any of the listed nations (ex: flight lay-over) constitutes as having a physical presence.

U.S. Olympic & Paralympic Committee National Interest Exemption for Events and Training:

On August 11, 2020, DHS issued a National Interest Exemption notice to the USOPC for international athletes, essential staff, and their dependents participating in senior-level international competitions and training. The Government Relations office is facilitating the waivers through U.S. Customs and Border Protection.

Instructions for NGBs:

1. Complete the waiver request spreadsheet (included) for each traveler(s) at least seven (7) days prior to the expected arrival to the United States. Note: if the traveler(s) needs to secure a visa in addition to a travel waiver, submit the waiver request at the same time as the visa application. Send the completed request myaniro@orda.org.
2. Within 72 hours of submission, the USOPC will notify the NGB of the waiver status. When clearance is granted, the USOPC will provide a confirmation letter as evidence of a 212(f) waiver.
3. Advise the traveler(s) to check the information on the U.S. Embassy website in the country where they reside. Each embassy may have specific instructions for individuals to travel on a National Interest Exemption. If asked, the traveler(s) should provide the USOPC waiver confirmation letter.

Additional Information:

The waiver, if granted, does not exempt travelers from inspection by U.S. Customs and Border Protection or exempt them from standard entry requirements, including visa, passport, and any other necessary documentation requirements.

Waivers are valid for multiple entries as long as the purpose of the trip is pertinent to the NGB/event organizer. Waivers are valid for 1 year.

CBP recommends limiting the amount of travel and following CDC guidelines to minimize exposure.

New York State Mandatory Pre-Arrival Testing

All travelers from a noncontiguous state, US territory or CDC level 2 and higher country wishing to test out of the mandatory 10-day quarantine complete the following steps:

- Obtain a Covid test (any form) within 72 hours (3 days) of departure and prior to arriving in New York State.
- A copy of your test result must also be emailed to dpica@orda.org prior to arrival.
- Upon arrival to New York the traveler must quarantine for a period of 72 hours (3 days).
- On the fourth day of quarantine, the traveler must obtain second Covid test.
- If both tests come back negative, the traveler may exit the 10-day quarantine early upon receipt of the second negative test.

Please refer to the Mt. Van Hoevenberg Covid-19 Guidelines for further information on pre-arrival testing.

Covid-19 Event Testing Schedule in Lake Placid:

<u>Date</u>	<u>Time</u>	<u>Location</u>
Thursday, January 28 th - Bobsled	18:00	
Monday, February 1 st - Bobsled	18:00	Olympic Jumping Complex Base Lodge- 1st Floor
Monday, February 1 st - Skeleton	19:00	

All IBSF, New York State and Event/Venue Covid Protocols are available on our North American Cup Bobsled & Skeleton website [HERE](#)

During this pandemic we all must be vigilant. Being socially distant whenever possible, wearing face coverings always and following proper hygiene recommendations will contribute to the success of the North American Cup. The better we follow these guidelines the less chance for one positive result to affect the entire competition.
